

LOW BACK HOOD

Cavalier's Low Back Hoods are a variant of our other hood designs where the back of the hood sits lower than the front. This allows us maintain the minimum height from the floor while still having a large capture volume.

This style can be used with our:

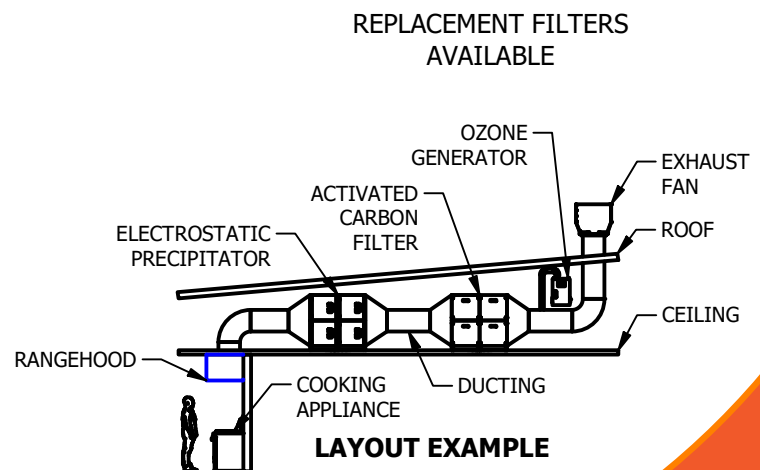

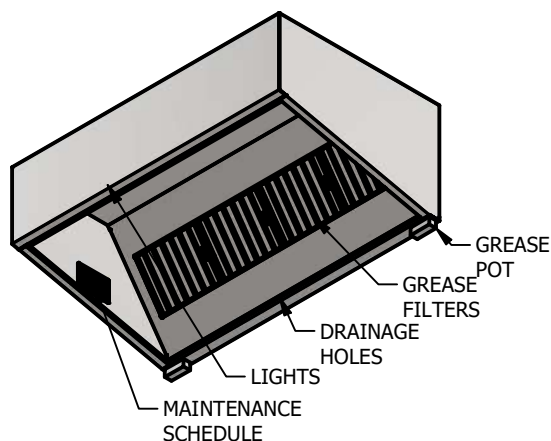

- Steam Hoods
- Classic Hoods
- Energy Efficient Hoods
- Flame Guard Hoods
- Misting Hoods

Compliant with all Australian Standards (standard features).
Standard Type (AS1668.2-2024, 3.4.2.2 - 3.5)

Cavalier's Hoods are measured to be site specific and achieve the best outcome for your site requirements.

Site specific drawings can be arranged. Please email your kitchen layout to info@cavaliervent.com.au to arrange a drawing.
